RE: USD 475 Geary County Schools

Dear Ms. Miller:

I represent USD 475 Geary County Schools.

Please direct all future correspondence in the above matter to me.

In response to your November 10, 2015 letter, USD 475 has taken immediate steps to prohibit the distribution of Bibles by the Gideons on school property.

The district will provide training to the teaching staff that public schools are not permitted to distribute Bibles to students and students are not to be invited or persuaded to take Bibles during the school day.

Please call if you have any questions.

Thank you for your assistance in this matter.

Sincerely,
