Re: CARD Opposes Taxpayer-Funded Employment Discrimination Authorized by the Russell Amendment

Dear Chairman Thornberry and Ranking Member Smith:

The 42 undersigned religious, education, civil rights, labor, and women's organizations write to voice our strong opposition to the sweeping Russell Amendment to HR 4909, the National Defense Authorization Act for FY 2017.

This amendment would authorize taxpayer-funded discrimination in each and every federal contract and grant. The government should never fund discrimination and no taxpayer should be disqualified from a job under a federal contract or grant because he or she is the "wrong" religion.

We appreciate the important role religiously affiliated institutions historically have played in addressing many of our nation's most pressing social needs, as a complement to government-funded programs. Indeed, many of us are directly involved in this work. We also recognize that the separation of church and state is the linchpin of religious freedom. In our view, effective government collaboration with faith-based groups does not require the sanctioning of federally funded religious discrimination.

Because it is inconsistent with the longstanding principle that federal dollars must not be used to discriminate, we urge you to vote NO on the Russell Amendment.
