RE: Distribution of Gideon Bibles

Dear Ms. Miller:

Your letter dated November 10, 2015 to Geary County Unified School District 475 has been referred to our office for response. According to your correspondence, the school district is given seven (7) days in which to respond. Please consider this written assurance that USD 475 will no longer facilitate the Gideons in distributing bibles in our school district.

Sincerely,

Mark Edwards
